

# CANADIAN LAKES FISHING CLUB - 2020 HOME PAGE

## Purpose

To preserve and improve the fishery in Canadian Lakes, encourage youth fishing everywhere, provide education, and sponsor enjoyable fishing events for youth, club members and the entire CL family.

## Membership

Membership is open to all Canadian Lakes members plus their children, grandchildren, parents and siblings. Dues of \$10 per year cover from April thru March of the following year.

## Meetings

Meetings are held the second Wednesday of each month from April through October, 7:00 to 9:00 pm at the Alpine Haus. We usually have a demonstration or activity, plan future club events and have a roundtable discussion where attendees share their recent fishing successes, favorite lures and tackle, etc. Visitors are always welcome. Fishing Club caps and tee shirts are available for purchase. Surplus fishing tackle is collected for distribution to needy families. Frequent e-mail distribution to members keeps them informed about our meetings, events and other fishing related news.

## Club Member Agreement:

Club members agree to practice and encourage everyone to **release live all Bass, Pike over 24" and all Muskies caught in our lakes, and no spearing.** This helps to preserve the fishery in our lakes, for our children and grandchildren. Also to abide by all State and CL rules and regulations concerning lakes and fishing.
